Date - 06/10/2023

To whomsoever it may concern,

This patient Mast. Shaikh Mustajeeb Ahmed Shaikh Bader was admitted in our hospital from 29/08/2023 to 19/09/2023 for initial complain of fever which was diagnosed as viral encephalitis and was treated accordingly for that. Then he was discharged on medications.

His previous hospital bill is pending at present and now he is being admitted again in view of recurrence of fever for further evaluation and management.
